Re: Real-time Closed Captioning RFP Status Report

Dear Mr. Terreni:

The Office of Regulatory Staff, in conjunction with the Information Technology Management Office, is compiling requirements for the request for proposals to provide real-time close captioning through Dual Party funding. ORS met with several parties to discuss innovative approaches to securing closed captioning service.

We will continue to update you on the progress of this project. Please contact me at 803-737-0814 with any questions.

Sincerely,

Dawn Hipp
